Description/Terms and Conditions

The Stratum Skin Analysis System captures digital photos of the face and measures wrinkles, texture, pores and pigmentation. Skin features are then graded, relative to others of the same sex, age and ethnicity to provide your own unique report on the state of your skin, with advice on how to improve it. For a **FREE CONSULTATION** – contact us on 01628 303020.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
