Description/Terms and Conditions

As the year draws to a close, it is the ideal time to take stock and make sure your Will still reflects your wishes. Changes in family circumstances, new tax rules or updated legal interpretations could mean your Will no longer does what you intended.

At The Professional Will Writer we are offering a free Will review to help you stay protected. During your review we will also explain how Lasting Powers of Attorney could support your plans and give you and your family greater peace of mind.

With over 30 years of experience, Steve Pett provides clear personal guidance to ensure your Will and estate planning are up to date.

Your free review includes a confidential check of your existing Will, guidance on any changes that may be needed, discussion of Lasting Powers of Attorney, and practical advice with no obligation to proceed.

Do not leave things to chance. Book your free Will review in Eastbourne today and start the new year knowing your loved ones are protected.

Call [01323 766766](tel:01323766766) or email Steve to arrange your free Will review.
