Description/Terms and Conditions

If your home is feeling a little tired after the festive season, a Home Inspiration Visit from Priscilla's Interiors can give you a clear and affordable way to refresh your space. This visit is perfect for anyone who wants their home to feel brighter and renewed without having to commit to a full and expensive redecoration.

Priscilla will walk through your chosen room, talk through your ideas and how to make the most of what you already have. She loves helping people save money and avoid waste.

If you decide to go ahead with her design service, you will then receive a personalised room scheme with clear steps for you to follow in your own time. This could include colour touches with paint/wallpaper, soft furnishings, layout adjustments, art placement or lighting suggestions.

There is no pressure and no obligation. The goal is to help you start 2026 with a home that feels more you.

To book your Home Inspiration Visit, call Priscilla on 07969 047171 or [email](#) with your name, contact details and the room you want help with.
