Description/Terms and Conditions

Build & Thrive 2026 introduced us to some brilliant local trade businesses, and as we head towards 2027 we're opening the opportunity much wider.

If you provide a service that isn't currently represented in the [thebestof Eastbourne Business Guide](#), you may be eligible for a funded Fast Start.

We're looking for quality local businesses with a strong reputation that want to become part of thebestof Eastbourne and take an active role in building their local profile.

The first step is simply an obligation-free conversation about your business, the service you provide and whether thebestof Eastbourne could be a good fit.

Subject to our usual application process, we'll cover the £150 + VAT cost of your Fast Start when you join thebestof Eastbourne. Choose from our current marketing packages from as little as £40 + VAT a month. Your Fast Start gets your Business Feature live and your compatible review sources mapped.

To claim the funded Fast Start, your business must first receive a minimum of three [Customer Recommendations](#) through thebestof Eastbourne. This gives us the opportunity to hear from people who have genuinely used your services before confirming your funded place.

Only one funded Fast Start is available for each qualifying Business Guide category.

Interested? [WhatsApp me](#) or email [thebestof Eastbourne](#) with your business name and the main service you'd like to be listed for.
