Description/Terms and Conditions

Rainforest Vibes...

Plant a Tree Fern in a sheltered, partially shaded area of your garden, water it well - especially during drier months - and you'll be rewarded with bright green fronds of prehistoric proportions.

We have lots of different sizes available with prices starting from £19.99 for a young tree fern - right up to the larger ones you see here.

Underplant with smaller ferns, hostas, fatsia and other shade-lovers.

We have lots of those too!

All at Richard's Plants
