Description/Terms and Conditions

Brother SH40 £249.00

NOW WITH A FREE MACHINE BAG WORTH £30

Let us start by saying the Brother SH40 is lightweight and easy to lift onto the sewing table, yet the frame is strong and rigid aluminum so every stitch is perfect, even while stitching through multiple layers of denim or quilting many layers.

The SH40 is a good beginner sewing machine that will allow the user to grow into a more advanced sewer, this machine has additional features not normally offered at this level.
