Description/Terms and Conditions

Bay Pyramids - £20

We have around 20 Bay Pyramids in various sizes which will be available for just £20 each. (Normally priced £49.99 to £99.99).

They are not in A1 condition but, for those who like a project, will be with a program of feed, pruning and of course water.

They are healthy enough but just need a little bit of extra attention.

These evergreen specimens look great in pots but look equally as good planted in a bed/border.

Get them while stocks last.
