Description/Terms and Conditions

People Matters HR have partnered with SEEDL to deliver live and interactive on line training, designed for the SME market, with structured, CPD approved training workshops.

To develop your business, you have to develop your people so they are motivated, highly skilled and perform to the best of their ability. This in turn improves the standards and performance of your business.

SEEDL is the worlds first live and on demand learning platform – the Netflix of training, offering over 300 courses. People Matters can even package together relevant SEEDL and People Matters workshops and include documents and policies – ideal for training your workforce on new legislation, developments in your business and training programs, such as inductions for new employees or for newly promoted managers.

It uses a really simple accessible training platform, specifically for the SME market. Designed with well structured, easy to understand training modules. People learn better by doing and this is why SEEDL and People Matters training is so effective. We help you and your business stay compliant, keeping you up to date with ever changing legislation.

There are 300 courses open to you so don't take our word for it, start your 30 day free trial [here](#)
