Description/Terms and Conditions

Imagine bringing the wonders of underwater life into your classroom!
Aqualease provides educational aquariums for schools, nurseries and learning environments, helping children discover aquatic life while creating a calming and engaging space.
With a range of aquarium sizes and designs available, there's something to suit different classrooms and budgets.
What to expect:
Educational resources linked to the National Curriculum
Opportunities to explore marine life and different species
A calming sensory experience that supports wellbeing
Securely fitted acrylic aquariums
Engaging displays that encourage curiosity and learning
A fantastic way to make learning more interactive and bring nature into everyday education.

Date: Available throughout the year
Time: Enquire for availability
Location: Schools, nurseries and educational settings
