Description/Terms and Conditions

Celebrate your wedding day with our Bridal Bouquet Flower Preservation Package, pairing a 4.5" single flower paperweight with a matching charm bracelet bead. Perfectly preserving a large bloom from your bouquet, like a peony, hydrangea, or dahlia, this set captures the beauty of your special day. The accompanying charm bead, made from your bouquet's petals, offers a wearable keepsake, ensuring your memories are always close at hand.

Designed with your wishes in mind, this package transforms your wedding flowers into cherished keepsakes. Our team guides you through selecting the ideal flower and customising your bead, making your preservation process as unique as your wedding day.
