Description/Terms and Conditions

If you organise events, support local businesses, or want to strengthen how you use thebestof Eastbourne, you may be eligible for an invitation to our free event promotion workshop.

This session is designed to help you understand how to use the platform properly, including how to publish events, use blog content effectively, and position yourself so local customers can recognise and trust what you do.

It is not generic training. It exists to help businesses and organisers who already care about their standards present themselves clearly and make the most of the visibility available to them.

If you would like to see if you are eligible, email thebestof Eastbourne to request an invitation. If it feels like the right fit, you will receive a personal invite to attend the next available workshop.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
