Description/Terms and Conditions

Make sure your business has the right fire safety precautions in place and save 10% on a professional fire risk assessment with Southern Fire Risk Assessments.

Whether you run a shop, office, restaurant, salon or other commercial premises, understanding your fire safety responsibilities is essential.

Southern Fire Risk Assessments provides independent, professional assessments designed to help you identify potential risks and understand what action, if any, is needed.

Your assessment includes:

- A thorough review of fire hazards and existing safety precautions
- A detailed report with supporting photographs
- Clear recommendations and an action plan where improvements are required
- Practical, proportionate advice tailored to your premises

No unnecessary upselling or recommendations for work you don't need. If your existing precautions are suitable, Southern Fire Risk Assessments will tell you.
