## Description/Terms and Conditions

Build and Thrive gives you the opportunity to strengthen your reputation, improve how your business is seen locally, and become part of a trusted Trades Directory built around quality, not just listings.

This campaign is for home improvement businesses whose service type is not currently listed in our [Trades Directory](#). The directory is organised by service category so Eastbourne homeowners can rely on it for a high-quality, trusted range of local trades.

If the service your business provides is not shown, this may be your opportunity to be considered.

To join, the only cost is a £250 setup plus VAT. This gives you up to six months of Build and Thrive support, aligned to our Silver marketing support package, valued at £756 plus VAT. This period allows us to work with you to strengthen your digital footprint, refine how your business is presented, and support your growth in a way that reflects your trade and standards.

Our aim is not short-term promotion. It is to build long-term working relationships within a trusted local business network, focused on giving Eastbourne homeowners access to the best possible trades.

Places are limited and the campaign is close to capacity.

If your service is not listed and you believe your business would be a strong fit, [email us](#) to arrange a call and discuss how we may work together.

This voucher has no cash alternative and is not transferable. It cannot be used in conjunction with any other offer or promotion. Photocopies will not be accepted. Rights are reserved to refuse custom and withdraw this offer at any time.
